Dear Mr. Bakondi,

On behalf of the Sector for Emergency Management of the Ministry of Interior of the Republic of Serbia I am using this opportunity to express my most sincere gratitude to the National Directorate General for Disaster Management of Hungary for the assistance your service and country have provided to the people of Serbia during the floods in May 2014.

The efforts of the Hungarian Water rescue with boats team and rescue helicopter, their commitment, hard work and energy invested in helping the affected people have contributed immensely to the overall recovery process.

Once again, allow me to extend my deepest appreciation to you personally and your team for maximum contribution, excellent cooperation and overall engagement throughout the emergency.

While hoping our two countries will continue cooperating closely in the future for the benefit and safety of our citizens, I remain,

Yours sincerely,

Predrag Marić
