Dear Mr. Nyikos,

As you already know, during the deployment to Chisinau in Republic of Moldova for the NATO EADRCC Exercise „CODRIL 2011”, the Hungarian team voluntarily offered its engagement for extinguishing a major fire in *Cornu Luncii* locality – Suceava County, on 27th of August 2011.

Considering the size and risks posed by the fire which affected a 680 sq.m. area, the Romanian firefighting units (100 firemen) of Suceava County Inspectorate for Emergency Situations “BUCOVINA” highly appreciated their Hungarian colleagues support consisting in fire extinguishing operations, saving dangerous objects from fire and providing specialized first aid to affected persons.

On behalf of both Suceava County Inspectorate for Emergency Situations “BUCOVINA” personnel and myself, I would like to express our appreciation and gratitude for the professionalism, altruism and the fellowship proved by Hungarian Team members.

Respectfully yours,

COL. Marius DOGEANU

Head of Department
