MINISTRY OF INTERIOR

CHIEF DIRECTORATE FIRE SAFETY AND CIVIL PROTECTION

171A, Pirotska Str., 1309 Sofia, Bulgaria

TO
MR. GYORGY BAKONDI
DIRECTOR GENERAL
NATIONAL DIRECTORATE GENERAL FOR
DISASTERS MANAGEMENT
OF HUNGARY

DEAR MR. BAKONDI,

On behalf of the Chief Directorate Fire Safety and Civil Protection within the Ministry of Interior of the Republic of Bulgaria and on my own behalf, allow me to express gratitude for the assistance provided by the National Directorate General for Disasters Management of the Republic of Hungary.

The timely received 100 000 sandbags were delivered to the flood affected areas and used for mitigating the consequences of the difficult situation. It is very important for us that your country was the first responder to our request for assistance, because the most valuable assistance is the one provided in time.

The solidarity of the EU Member States, the Community Civil Protection Mechanism and the cooperation between the responsible authorities of the Republic of Bulgaria and the Republic of Hungary proved once again its efficiency in coping with the challenges of nature.

I am convinced that the further fruitful cooperation between our services will contribute in creating a safer world for our nations.

Yours sincerely,

Nikolay Nikolov,
Director
